

JESUS, COME AND STAND AMONG US

Based on John 20:19-31

1. When disciples were frightened,
so confused that he was dead,
Jesus came and stood among them:
"Peace be with you!" he said.

He is risen, risen!
He was dead but now he lives.
We were lost but he has found us
with the life he gives.

2. Can we see you, can we touch you
like disciples long ago?
Would it make any difference?
Do we doubt what we know?

3. Jesus, come and stand among us,
show yourself to us again.
We will speak what you tell us,
we will go where you send.
